## SUBJECT: WHICH WAY TO GO!

**SCRIPTURE:** *10 Lot lifted up his eyes and saw all the valley of the Jordan, that it was well watered everywhere—this was before the LORD destroyed Sodom and Gomorrah—like the garden of the LORD, like the land of Egypt as you go to Zoar. 11 So Lot chose for himself all the valley of the Jordan, and Lot journeyed eastward. Thus they separated from each other. (Genesis 13:10-11) NASB*

**INTRODUCTION:** A young man I know, continues to purchase used cars without having much knowledge about cars. He once bought a used SUV because it looked good. However, the car stopped on his way home. He later said he sold it. Yeah, I said to myself; my bet is he just walked away and left it on the street.

As I prepared this message, I learned from this young man's Granny that he was talking about purchasing another used car. When I later asked her if he had taken a mechanic along this time. She responded: He had not.

Now, if any of you are in the market for a used vehicle, and you don't know much about cars, you should find someone who does know to accompany you. You might even pay someone to go with you to help you check the car out. It would be worth the effort and will, quite possibly, save you time and money later on. For my brothers and sisters, you cannot conclude much about the functionality of a vehicle by its appearance. As a matter of fact, you can hardly conclude anything from appearances— for looks can be very deceptive. Just ask the man who, when looking for the right direction to journey, saw how fertile the Jordan valley was and chose it for himself— not really knowing **WHICH WAY TO GO!**
