SUBJECT: "GOD IS OUR REFUGE"

SCRIPTURE: Psalm 46:1-3 (NASB)

¹ God is our refuge and strength, A very present help in trouble.

*² Therefore we will not fear, though the earth should change
And though the mountains slip into the heart of the sea; ³
Though its waters roar and foam, Though the mountains quake
at its swelling pride. Selah.*

INTRODUCTION: Every day the media bombards us with bad news. We turn on the TV, or pick up a newspaper and find life's conditions are growing worse! Things are becoming darker and more devastating because the Coronavirus Pandemic is out of control. It is causing additional destruction on life and prosperity everywhere.

Today Saints, the very foundation of Earth is being shaken and people are fearful, seeking a place to retreat. Nonetheless, the world has not turned from their wicked ways and called on the only One Who has the power to do something about our present conditions. To tell the truth, I wonder daily, when will they turn?

Saints of Jesus Christ, IN SPITE OF this present state of danger, the question is: What are we doing? Brethren, we still have a mission. The Lord is not asking for the world to humble themselves and pray. No, He is calling on His people, the body of believers, to do something about it. He declared, we are the light of the world and the salt of the earth! So, what are we going to do? Are we going to be obedient to the Lord? We need to stop looking for others to do right, and start doing what is right ourselves. Saints of Jesus Christ, in spite of all the darkness, ***GOD IS OUR REFUGE!***

I. GOD IS OUR REFUGE

II. WE WILL NOT FEAR!

III. NONETHELESS, WE MUST PRAISE HIM!
