# ABIDING FAITH BAPTIST CHURCH

DECEMBER 13, 2020

**SUBJECT: HE IS STILL BLESSING US!**

**Scripture: 1 Chronicles 4:9-10 (NASB)**

*9 Jabez was more honorable than his brothers, and his mother named him Jabez saying, "Because I bore him with pain." 10 Now Jabez called on the God of Israel, saying, "Oh that You would bless me indeed and enlarge my border, and that Your hand might be with me, and that You would keep me from harm that it may not pain me!" And God granted him what he requested.*

**INTRODUCTION:** Going through the storms of life, we often wonder if the Lord is still blessing us. So, what is it that makes a person think he is, or he is not being blessed by the Lord? Is it when he has many toys or lots of material things? Is it when he has a job and money in the bank? Truly it can be said when you have good health and strength, the Lord is blessing you. Yet, if you did not have any of these things, would it mean that God is not blessing you, or rather, He is punishing you?

Saints, we dare not operate by worldly standards of measuring God's blessings. Listen, it is not about *what* we have, but about *Who* we have! It is truly about having a relationship with Jesus Christ! Greater still, it is about walking in the Spirit, and not walking in the flesh.

During this time of Covid-19 trials, and testing, people are finding themselves in situations they never before imagined. So many are losing hope and feeling that God is not blessing them because they are sick or unemployed. I need us to understand that many have lived and died before us, with little or nothing at all, being beaten, in chains, placed in fiery furnaces, and thrown into Lions' dens. These were loved dearly and blessed by God. However, we must learn that God's leading us through life is beyond our control and understanding. For God's way is not our way! Our task is to get closer to Him as we learn more about Him, trusting and obeying Him! Know this Saints of Jesus Christ, whatever betide, we are loved and **HE IS STILL BLESSING US!**
